

A World Full of Strangers: Embracing the Unknown for a Life of Adventure, Meaning, and Connection

By Tara Brabazon

In a world where we're constantly surrounded by people, it's easy to feel alone. We may have hundreds of friends on social media, but how many of them do we really know? How many of them would be there for us if we needed them?

In her new book, *A World Full of Strangers*, Tara Brabazon explores the power of embracing the unknown and forging meaningful connections with the people around us. Through personal stories and practical advice, Tara shows us how to overcome our fears of rejection and vulnerability, and how to open our hearts to the possibility of finding true friendship and love.
