True Color is not just another hair color book. It's a transformative tool that provides readers with the knowledge and confidence to embrace their true hair color potential. Tracey shares her insider tips, tricks, and professional techniques, making hair color accessible and enjoyable for everyone.

What's Inside True Color

True Color is divided into four main parts:

Part 1: Color Theory

Tracey starts by laying the foundation for understanding hair color theory. She explains the principles of color wheels, undertones, and levels of lift. This section is essential for anyone who wants to achieve natural-looking, flattering hair color results.

Part 2: Personalizing Your Color

In this part, Tracey guides readers through the process of choosing the perfect hair color for their individual skin tone, eye color, and lifestyle. She also covers how to transition to a new hair color gradually and how to maintain it over time.

Part 3: Advanced Color Techniques

For those who want to take their hair color to the next level, Part 3 provides in-depth coverage of advanced color techniques such as balayage, ombré, and highlights. Tracey explains how to create these looks at home, including step-by-step instructions and troubleshooting tips.

Part 4: Hair Care for Colored Hair

Colored hair requires special care to keep it healthy and vibrant. In Part 4, Tracey shares her expert advice on how to protect colored hair from damage, maintain its color, and style it without compromising its integrity.

Benefits of True Color

*** Empowers readers to achieve their dream hair at home.* Provides a comprehensive understanding of hair color theory.* Helps readers choose the perfect hair color for their individual features.* Covers advanced color techniques for those who want to take their hair color to the next level.* Includes expert advice on hair care for colored hair.***
