The Jews of Sing Sing is a groundbreaking work that sheds light on a hidden chapter in American history. Published in 1932, this book offers a unique perspective on the lives of Jewish prisoners in Sing Sing Correctional Facility, one of the most notorious prisons in the United States.

Through interviews with Jewish inmates, the author, Rabbi Judah Nadich, provides a firsthand account of the challenges faced by these prisoners. He explores their experiences with discrimination, violence, and the struggle to maintain their faith in a hostile environment.

The American Prison System and the Jewish Experience
